

Exhibit N

The image is a black and white advertisement for the Oral-B Triumph electric toothbrush. On the left, a full-length view of the toothbrush is shown, standing upright. It has a white body with a silver-colored head and a black grip section at the bottom. The Oral-B logo is visible on the handle. To the right of the toothbrush is its charging base, which is a white, rounded rectangular device. The base features a digital display showing '0:25' and a circular progress indicator. Above the display, the word 'BRAUN' is printed. Below the display, the Oral-B logo and 'SMART GUIDE' are visible. The background is dark and textured. At the top, the Oral-B logo is followed by 'PROFESSIONAL CARE' and 'TRIUMPH' in large, bold letters. Below 'TRIUMPH' is the tagline 'SMART TECHNOLOGY. BRILLIANT RESULTS.' In the bottom right corner, there is a 'Smart TECHNOLOGY' logo and the text 'powered by BRAUN'.

Q: What is Oral-B Triumph with SmartGuide?

A: Oral-B Triumph with SmartGuide is the next generation in premium rechargeable toothbrushes and the first and only toothbrush to combine best-in-class cleaning and gum care with a wireless display that promotes better brushing habits. Oral-B Triumph with SmartGuide acts like a dental professional in your bathroom, guiding your brushing experience with while-you-brush feedback to help you brush thoroughly, gently, and for the dental-recommended two minutes.

Q: How is Oral-B Triumph with SmartGuide different from the previous Oral-B Triumph model and other Oral-B products? How is it different from competitors like Sonicare and Ultreo?

A: Oral-B Triumph with SmartGuide is the first toothbrush with a wireless display that provides instant while-you-brush feedback to promote good brushing habits. Sonicare and Ultreo don't have these features.

Q: What makes Oral-B Triumph with SmartGuide Oral-B's most advanced premium power toothbrush?

A: Oral-B Triumph with SmartGuide is the first rechargeable toothbrush to feature a visual wireless display that provides while-you-brush feedback. The original Oral-B Triumph with SmartGuide is the first toothbrush to combine best-in-class cleaning and gum care with a wireless display that promotes better brushing habits. Oral-B Triumph with SmartGuide acts like a dental professional in your bathroom, guiding your brushing experience with while-you-brush feedback to help you brush thoroughly, gently, and for the dental-recommended two minutes.
